

Branch: Technical employee of communities

Code: TEEMCO

Option: Technical employee of communities

Level : CP

Prerequisites : Primary school leaving certificate

Opportunities :

In a secondary school, a crèche, a hospital, an old people's home, a holiday and leisure centre, the technical employee of a community never ceases to activate his fairy fingers.

Description

The training covers the technical knowledge to be acquired in order to participate in the comfort of daily life, to learn how to use the various products and appliances such as hoovers, ironing machines, etc., taking into account hygiene and safety requirements.

The cleanliness of the premises, the serving of meals and the maintenance of the linen are all part of their duties. Depending on where they work, they may be called hospital workers, canteen workers or nursery workers.

Quality and competences :

The technical employee in a community centre has a good knowledge of hygiene. They know how to prepare meal trays and have no secrets about household appliances. They can take care of the supply and storage of foodstuffs.
